

PhotoTapas 2016

A small group of curators, artists, educators and gallery owners founded PhotoTapas in 2012 to promote photography in the state of Arizona and expand awareness of the scope and quality of exhibitions, lectures, seminars, and demonstrations that the PhotoTapas members provide.

PhotoTapas 2015 Participants

<i>Art Intersection</i>	<i>ImageWorks</i>	<i>Through Each Others Eyes</i>
<i>ASU Northlight</i>	<i>Modified Arts</i>	<i>Tilt Gallery</i>
<i>CattleTrack</i>	<i>Parker Madison</i>	<i>Center for Creative Photography</i>
<i>Fine Art Framing</i>	<i>Phoenix Art Museum INFOCUS</i>	

PhotoTapas seeks to strengthen the community of photography by elevating the visibility and broaden the recognition of photography across Arizona through a coordinated promotion of photography events during the month of February.

As a vital part of our photography community, we encourage you and/or your organization to join us and become a Participant or Sponsor of PhotoTapas.

PhotoTapas Objectives

- *Increase public awareness of the scope and quality of the Arizona photography community*
- *Connect local and out-of-state photography collectors to Arizona galleries and photographers*
- *Encourage business for Arizona photography support organizations*
- *Promote communication and collaboration within the Arizona photography community*
- *Increase awareness of Arizona photographers, museums, galleries, and public art institutions*

Participants

- *Listing on the PhotoTapas website, marketing materials, and social media*
- *Use of PhotoTapas logo and materials for your event marketing*
- *Posters and Postcards*
- *\$100 per event for up to five events*

Sponsors

- *Highlighted promotion as a PhotoTapas Sponsor*
- *Listing on the PhotoTapas website, marketing materials, and social media*
- *Use of PhotoTapas logo and materials for your event marketing*
- *Posters and Postcards*
- *Up to seven events for \$750*

To join PhotoTapas, please fill out the online [PhotoTapas application](#).

February is Arizona Photography Month
